BIO

For all round skin glow. Bio is a complete 'bio revitalising' treatment.. For face/neck/eyes/hands and decollete formulated to be active on all signs of ageing, general improvement in the skin & and more radiant relaxed appearance, plus greater elasticity. **Contains 40mg Hyaluronic Acid, Vitamin A, Vitamin B (B1,B3, B6, B8) Vitamin C, Amino Acids, (Glycine, L-Proline, L-Hydroxyproline, L-Arginine) DMAE, Argireline, Sodium DNA and Glutathione.**

REPAIR

Complete stretch mark and scar treatment cocktail, Cutting-edge formulation able to correct scars (especially as a treatment for acne scars), and revascularize stretch marks, even white ones thanks to an innovative active ingredient **(PSEUDOALTEROMONAS extract), peptide complex, Acetyl Tripeptide-30, Pentapeptide-18), amino acids (L-Arginine, L-Proline, Glycine, Citrulline) wisely combined with a high concentration of D-Panthenol and Centella asiatica extract.**

DERMA 2.0 SKIN 'COCKTAILS'

RESTORER

Regenerating treatment in sterile vials for aesthetics based on **organic silicon** Derma-Restorer solution.

Derma-Restorer solution, a regenerating antioxidant treatment based on organic silicon, acts in tissues as a catalyst for various reactions. Promotes the synthesis of collagen and elastin and improves connective structures. Can be used on both face and body.

EXOSOMES

An innovative treatment with its anti-aging, restructuring, and toning action for the treatment of wrinkles, loss of tone and problems related to the scalp. **Contains Citrus Reticulata**

Fruit Extract, Citrus Reticulata, Fruit Juice Vesicles, Sodium Hyaluronate, Glutathione and a complex of Biomimetic Peptides.

tone up

DMAE in sterile vials for advanced aesthetics or **dimethylaminoethanol** use for loss of tone on the face and body. As a precursor of acetylcholine, its main action is to restore tone to the tissues. Derma 2.0 Tone Up DMAE also has strong anti-free radical properties. It can be used alone or combined with other functional substances for toning and firming treatments on the face and body. discover the magic DMAE,

FIRMING

Complete firming treatment, A powerful cocktail based on highly concentrated active substances such as: **organic silicon and DMAE for a strong firming, patented restructuring complex of biomimetic peptides "Rejuline Complex™", high and low molecular weight hyaluronic acid with moisturising action and essential amino acids (Hydroxyproline, Proline, Lysine, Glycine, Acetylcysteine)**

A bespoke/targeted treatment plan combining Derma 2.0 products can be devised for each client.

2-4 sessions are required for best results.

Treatments range from £59-£125 per session
